- 2.1 This Service Provider Agreement shall begin on March 1, 2010 and end on February 28, 2011, pending approval of all authorized parties and evidenced by their signature affixed to this contract. The COUNTY shall have no obligation for services rendered by the

SERVICE PROVIDER which are not performed within the specified period. The term of this contract may, at the sole option of the COUNTY, be renewed by written notice for up to two additional years, through February 28, 2013, dependent upon the COUNTY's selection by the U. S. Department of Health and Human Services for continuation of the Ryan White Part A Grant funds and satisfactory performance of contract obligations by the Service Provider.

- 2.2 Payments shall be made to the SERVICE PROVIDER for services actually rendered totaling not more than \$68,500 (fully itemized by service category within Exhibit F attached hereto), which shall be full and complete compensation for all services and expenses of any type or kind provided hereunder, irrespective of the difficulty of any work, hours worked or materials or equipment provided. Payments due hereunder shall not exceed the amount provided above for any reason whatsoever, including cost overruns or otherwise.

In no event shall the liability to the COUNTY for any reason whatsoever exceed \$68,500, for the procurement of goods and/or services outlined in this contract and any exhibits or other attachments associated therewith or otherwise. The COUNTY may increase, in its sole and absolute discretion, the amount to be paid for additional goods and services. The resources, including any third party revenues, made available through this Service Provider Contract shall be used exclusively for the purposes specified in the Proposal. In the event SERVICE PROVIDER is paid funds under this Service Provider Agreement to which it is not entitled under the terms of the Ryan White Part A grant, SERVICE PROVIDER hereby agrees to repay such amount to the COUNTY within thirty (30) days of written notice and demand for repayment by the COUNTY. To the extent that third party revenues are collected by the Ryan White Treatment Extension Act funded SERVICE PROVIDER, existing Ryan White Act grant funding may and should be used within the organization where the funds were collected, if there is need for a broader range of services, enhanced levels of service for current populations, and/or for serving additional clients, particularly the uninsured. HRSA grant funds are intended for services to support those individuals that have no other form of health insurance coverage and for services not covered by third party payers.

- 2.3 The COUNTY must receive one program budget covering all services and funding contained in SERVICE PROVIDER's Proposal as approved by the COUNTY before any funds are released. A monthly invoice of expenses, in a form, see Exhibit G, as determined and approved by the COUNTY shall be submitted to the COUNTY by the fifth working day of each month for reimbursement of actual expenses incurred from the prior month. The COUNTY shall pay such invoices within thirty (30) days of its receipt and approval of said invoices, providing timely receipt of reimbursement request, supporting documentation and continued appropriation of funds from the U.S. Department of Health and Human Services. The COUNTY is not obligated to pay, and will withhold from payment, any amounts the COUNTY has in dispute with the CONTRACTOR based on CONTRACTOR'S non-performance or negligent performance of any of the Services under this Contract.

- 2.4 All expenditures by the SERVICE PROVIDER hereunder must adhere to the line items contained in the SERVICE PROVIDER's Contract. No budget revisions may be made without prior written approval of the COUNTY. The final expenditure report is due no more than 25 days following the end of the SERVICE PROVIDER Contract period on forms to be provided and approved by the COUNTY. The COUNTY will not be responsible for payment of claims later than the 25 days required for the final expenditure reports.
- 2.5 This SERVICE PROVIDER Contract is subject to the appropriations and availability of COUNTY and Federal funds to finance the grant activity, and the terms and conditions of the Ryan White Part A Grant. In the event that the funds are not appropriated or are otherwise unavailable, the COUNTY may reduce the maximum liability of the SERVICE PROVIDER Contract and/or terminate the SERVICE PROVIDER Contract upon written notice to the SERVICE PROVIDER. In the event of such termination, the CONTRACTOR shall be entitled to receive just and equitable compensation for any satisfactory work performed as of the Termination Date.

III. REQUIREMENTS FOR SERVICE PROVIDERS

- 3.1 The SERVICE PROVIDER must document how each provision of service is necessary because there is no other possible source of funding and show that the Ryan White grant funds are used as the payer of last resort.
- 3.2 The SERVICE PROVIDER shall not deny services to any Ryan White eligible clients who reside in the TGA based upon the client's place of residence.
- 3.3 SERVICE PROVIDER shall fulfill obligations as set forth in the Client Eligibility Plan, Exhibit C. Further, SERVICE PROVIDER shall ensure that each consumer certified as eligible for Part A services remains eligible for Part A services and that the consumer is recertified every six months.
- 3.4 The SERVICE PROVIDER will work with the COUNTY to create a written definition of a "unit of service" and an "encounter" to be performed by the SERVICE PROVIDER for the benefit of the clients served through the Ryan White Part A Grant. SERVICE PROVIDER will also work with the COUNTY to determine the rate of payment for the defined "unit of service," and any payments made to the SERVICE PROVIDER under this Service Provider Agreement will be based upon those agreed upon rates. Based on the foregoing work, the COUNTY shall provide:
- (i) the COUNTY's written definition of a unit of service to be performed by the SERVICE PROVIDER for the benefit of Ryan White Clients. (Exhibit F)
 - (ii) the COUNTY's definition of service in measurable units upon which to base payment, as determined in the COUNTY's sole discretion. Such rate may vary dependent on the service. (Exhibit F)

- 3.5 The SERVICE PROVIDER and the COUNTY shall comply with all obligations under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its accompanying regulations.
- (a) The SERVICE PROVIDER represents and warrants to the COUNTY that it is familiar with requirements of HIPAA and its accompanying regulations, and will comply with all applicable HIPAA requirements in the course of this contract, as either or both may be amended from time to time, including, but not limited, to the Health Information Technology for Economic and Clinical Health (HITECH) Act (part of the Stimulus package known as the American Recovery and Reinvestment Act) (collectively, "HIPAA").
 - (b) The SERVICE PROVIDER represents and warrants that it will cooperate with the COUNTY, including cooperation and coordination with COUNTY privacy officials and other compliance officers required by HIPAA and its regulations, in the course of performance of the SERVICE PROVIDER Contract, so that both parties will be in compliance with HIPAA.
 - (c) The SERVICE PROVIDER will, upon request, sign any and all documents, including but not limited to business associate agreements, as required by HIPAA and that are reasonably necessary to keep the COUNTY and the SERVICE PROVIDER in compliance with HIPAA. This provision shall not apply if information received by the COUNTY under this SERVICE PROVIDER Contract is not "protected health information" as defined by HIPAA, or if HIPAA permits the COUNTY to receive such information without entering into a business associate agreement or signing another such document.
- 3.6 The SERVICE PROVIDER will ensure that all core medical and support services provided with funding reimbursed through this contract meet, at a minimum, the Standards of Care as set forth in the Guidelines and Protocols on HIV/AIDS Care available at <http://hab.hrsa.gov/publications.htm> and also any Standards of Care adopted and implemented by the Memphis TGA Planning Council.
- 3.7 SERVICE PROVIDER shall participate in Ryan White Part A Grant meetings, training and planning activities regarding quality management, fiscal management, CAREWare, site monitoring, overall programming and/or any technical assistance as required by HRSA, and/or the COUNTY.
- The SERVICE PROVIDER shall make reasonable efforts to attend all Provider meetings.
- 3.8 The SERVICE PROVIDER must deliver to the COUNTY all documents of any type that are required to be delivered by SERVICE PROVIDER under this contract as provided below, and otherwise herein.

3.9 The SERVICE PROVIDER shall submit to quality management monitoring, contract monitoring and fiscal monitoring visits by HRSA, the COUNTY, and/or agents acting on behalf of HRSA and the COUNTY.

3.10 The SERVICE PROVIDER shall meet financial and program reporting deadlines and requirements as set forth by the COUNTY, and/or HRSA.

The COUNTY may assess penalties for failure to meet financial and program reporting deadlines. Possible penalties could include the delay of administrative budget funds to the Service Provider until such reporting is complete and/or a forfeiture of the SERVICE PROVIDER's administrative budget funds.

3.11 If SERVICE PROVIDER provides Medicaid Eligible services, the SERVICE PROVIDER must be a certified Medicaid Provider or complete application to become certified as a Medicaid Provider within ninety (90) calendar days from the execution of this contract.

SERVICE PROVIDERS are expected to vigorously pursue Medicaid enrollment for individuals who are likely eligible for Medicaid coverage and to seek payment from Medicaid when they provide a Medicaid covered service for Medicaid beneficiaries and also to back bill Medicaid for Ryan White Act-funded services provided for all Medicaid eligible clients upon determination. If a SERVICE PROVIDER wishes to utilize Ryan White Act grant funds for client services that are both eligible for third party reimbursement and grant funding, the SERVICE PROVIDER must have a system in place to bill and collect from the appropriate third party payers. Furthermore, Ryan White Act SERVICE PROVIDERS may and should identify potential sources of third party revenues for each client, refer clients to the appropriate agency for health insurance eligibility determination, set up billing systems, bill all available sources of third party reimbursement, and negotiate the best reimbursement rates possible. SERVICE PROVIDER hereby acknowledges the foregoing requirements and hereby covenants and agrees to fulfill any and all such requirements.

The SERVICE PROVIDER may use grant funds while a Medicaid eligibility determination is pending, but must then back bill Medicaid for Ryan White Act funded services provided to Medicaid eligible clients during the retroactive period of enrollment, but only in accordance with applicable law. Since the inception of the Ryan White Act, the legislation has prohibited the SERVICE PROVIDER from charging the grant for services that have been reimbursed under Medicare, Medicaid, other Federal or State programs, or insurance.

If the client has been determined not to be eligible for reimbursement from Medicaid or from other third party payers or the services provided are not eligible for third party reimbursement, the SERVICE PROVIDER may use grant funds to provide those services without the need to first bill third party sources in accordance with applicable law. Essentially, this makes the grant the "payer of last resort."

3.12 SERVICE PROVIDER shall report all program income on the monthly Part A invoice to the COUNTY.

- 3.13 The SERVICE PROVIDER agrees to pay all taxes incurred in performance of this Service Provider Contract. The COUNTY recognizes that SERVICE PROVIDER is a nonprofit organization, exempt from federal and state income tax, federal transportation taxes, and certain state and local sales and use taxes, and SERVICE PROVIDER is not required to pay such taxes. SERVICE PROVIDER agrees to pay any other applicable taxes incurred in performance of this Service Provider Contract.
- 3.14 The SERVICE PROVIDER shall submit to required audits and meet audit requirements in a timely fashion.

All agencies receiving funds must submit an audit/review of their financial statement and condition. These audits/financial reviews must be in accordance with GAAS (Generally Accepted Auditing Standards). All audits/financial reviews must be provided to the COUNTY no later than six months subsequent to the end of the agency's fiscal year. Providers that expend a total of \$500,000 or more in federal financial assistance from all funding sources during its fiscal year are required to have an independent audit conducted of its financial statements and condition in accordance with OMB Circular A-133. All SERVICE PROVIDERS receiving any amount of federal funds must also meet the minimum standards for administrative requirements and allowable costs established by the Office of Management and Budget (OMB) in the following Circulars: A-110: Administrative Requirements Applicable to Grants to Institutions of Higher Education, Hospitals and Other Non-Profit Organizations, AND A-122: Cost Principles for Non-Profit Organizations OR A-21: Cost Principles for Educational Institutions.

- 3.16 SERVICE PROVIDER is required to use the CAREWare software package, and/or other software as required by the COUNTY, to track and report, in a timely fashion, service utilization and the HRSA mandated client health-related outcomes as included in Exhibit E.
- (a) SERVICE PROVIDER is required to provide the County Ryan White Program and HRSA timely and reasonable access to Part A data within the CONTRACTOR's CAREWare data systems for reporting and other grant required business.
 - (b) SERVICE PROVIDER's CAREWare data system must have a connection to the COUNTY's dedicated CAREWare server in a manner which allows for a monthly scheduled data-sharing, using CAREWare's PDE exporting module, from the SERVICE PROVIDER's CAREWare data system into the COUNTY's dedicated CAREWare server.

3.17 The SERVICE PROVIDER will be required to adhere to the following related to evaluation and reports:

- (a) The SERVICE PROVIDER will be required to prepare and submit regular reports and supporting documentation. Reports may be due to the COUNTY and/or HRSA.
- (b) The SERVICE PROVIDER must keep its regular reports and supporting documentation accessible throughout the Service Provider Contract.
- (c) The SERVICE PROVIDER will have at least one site visit by representatives designated by the COUNTY and/or any federal agency during the Service Provider Contract, at the COUNTY's and/or the federal government's sole option.
- (d) Agencies will be required to gather and maintain demographic information about the number of women, infants, children and youth served under Ryan White funding. Each funded agency will be required to submit a summary of the number of clients served in each of these categories to the Grantee within twenty (20) business days of the end of the contract year.

3.18 The SERVICE PROVIDER must comply with the guidance for implementing Ryan White programs contained in all current HRSA Program Policy Notices.

3.19 SERVICE PROVIDER will maintain appropriate relationships with entities in the area that constitute key points of access to the health care system for individuals with HIV disease (for example, emergency rooms, substance abuse treatment centers, detoxification centers, adult and juvenile detention facilities, STD clinics, HIV counseling and testing sites, mental health programs, homeless shelters, health care points of entry specified by the State, federally-qualified health centers, migrant health centers, community health centers, health services for the homeless, family planning sites, hemophilia diagnostic and treatment centers, and non-profit private entities that provide comprehensive primary care services to populations at risk for HIV) for the purpose of facilitating early intervention for individuals newly diagnosed with HIV disease and individuals knowledgeable of their positive HIV status but not in care.

The Service Provider will display in a prominent place, located through a passageway in which the public enters in order to receive Ryan White Part A Grant funded services, a sign at least twelve (12") inches in height and eighteen (18") inches in width stating:

Programs that produce materials with data or information from published sources shall cite the sources of that information in the produced materials. Programs that produce materials with locally produced medical or scientific information must ensure the medical accuracy of the information presented. Therefore, a medical/scientific review must occur prior to the distribution of the materials. To provide for medical review of their materials:

- (a) Programs may designate a healthcare provider who will review all materials with medical information. The COUNTY must have letter on file from the designated reviewer stating that he/she agrees to review all materials with medical information for accuracy.
